Please Note

Most evening activities finish at 22.00, but the return times shown are to the place of departure. Students are dropped off either by bus, coach or taxi after all evening activities. The return can sometimes be later than expected as it depends on traffic and the availability of taxis.

The numbers shown after the activity (44) are the number of places available on each activity. You must sign your name on the noticeboard in school for these activities. Once all the places are full you cannot go on this activity. Do not worry though; you will have the opportunity to do many of the activities and trips again next week.

When students are not on an organised activity with Cicero, those aged 15 or under must be home by 21.30. Over 16 year olds must be home by 22.30.
